Entry System

- It is possible only at the: www.globalgrappling.hu webpage, then click to the „Versenyrendszer” (Competition System) menu, then „Regisztráció és nevezés” (Registry and Entry).
- Registry is required to the entry, to the championship only registered competitors of the registered clubs can enter leded by the club leader, who conducts the entry, correction and the cancellation for the clubs. **Other entries are not allowed!**
- One of our essential purpose is to provide opponent(s) from different clubs in the contestants category, therefore we are trying to avoid the same-club categories. Same-club category is that category, inwhich every contestants are members of the same club, (*one-person categories are same-club categories of course*).
- In favour of our purpose we operate a pre-entry system which contains: a pre-website entry, advanced currency transfer, recategorization and completion, automatical merging, controlled draw, cancellation!
- The entry fee must be sent to the bank account of the Global Grappling Association: **51700100-10029730. On-the-spot or other ways of entry are not allowed!**

Conditios of entry

- A filled entry is a consent of agreement on the conditions of entry.
- To enter, the competitor must have an “Allowed to Compete” medical certification not older than 1 year old.
- Competitors must have a **sport insurance policy** valid for the Championship.
- The former two conditions shall not be supervised, but the Coach of the team must certify these in his written statement.
- Everybody competes in her respective age group. Seniors may enter lower Senior, Master and Adult category. Masters may enter the Adult category. Any categories lower than Adult, may enter a one higher age group than their respective age group.
- **Sex:** Boys must enter boys’ competition, girls may enter girls’ and boys’ competition.
- **Weight conditions** of entry: Any competitor may enter only that weigh category of which’s upper bound shall not exceed the **reference weight** of the competitor.
- Any competitor unable to comply with the conditions shall be scratched.
- Combat Grappling, Gloved Fighting and Open categories may be entered by only over Junior 2 up to Senior 3 age groups competitors (Except Gloved Expert, because Junior 1 age group competitor can enter).
- One competitor only in one Open category can enter.
- One competitor in the same event can enter maximum two entries. Three entries to the same event not allowed.

- June 28, 2018. (Thursday) Correction Day
- June 29, 2018. (Friday) Notice of final standings

Corrections: completion, recategorization and cancellation

- The completion, recategorization and cancellation are to be conducted on our webpage on the Correction Day.
- Addition and recategorization can be made to the category that complies with the entry conditions, thus for which the competitor could have entered, but has not yet been nominated.
- The purpose of the completing entry is to increase number of competitors in each existing categories. New competitor can not entry and new category can not generate.
- The fee of the completion must be sent till Friday to the bank account of the Association: **51700100-10029730** (proof of the payment must sent to the [info \[at\] globalgrappling.hu](mailto:info@globalgrappling.hu))
- Cancellation and recategorization can only be operated in case of the same-club categories, the purpose is the avoid these categories.

Automatic Merging

- The automatic merging is being organised within sexes and events, to avoid the same-club categories.
- Two categories are only merged if the following condition is matched for every competitor in these two categories:
- A competitor may only be merged with an opponent who could have registered to this category, or one weight group named above (*but can not be of a higher age group*), or one age group named above (*but can not be in higher weight group*).
- Automatic merging is conducted at Friday morning. It is an automatic method by the program, no one can change it.

Controlled draw

In all categories, the first round matches are drawn by a directed method:

- The program draws randomly.
- Those draw are abolished where same-club contestant are matching in the first round.
- When the abolished draws count reaches the limit number, the program will inevitably make the pairs for the next draw.
- It is being organised on Friday morning after merging. It is an automatic method by the program, no one can change it.

B (Beginner) League

- Amongst the Men Age group B (Beginner) League and A (Advanced) League has been introduced.
- The **rules are lighter**, so there is less allowed technique than in the A League.

Events Description (Excerpt from the Rule Book)

- The neck, spine, knee cannot be punched or kicked.
- The elbow is not allowed.
- The hammer punch is not allowed, except on the ground in League A to the body.
- Kicking is only allowed until both contestants stand, the except is the knee kick on the ground in League A.
- Head kick is allowed only with roundhouse kick. Kicking surface must be covered by protective gear or may be the sole, never the heel.
- Head may be hit only in gloves and the target area is the face in front of the ears from forehead to chin.
- **Head-butt is prohibited!**
- Prohibited techniques in Adult Beginner section (League B): hammer-punch (to torso also), turning roundhouse kick, knee kick on the ground.

Allowance of Grappling techniques:

- In Gi, NoGi, Combat events they are allowed, because these are bare-hand categories.
- In Gloved Fighting event in A and B section it is allowed, but in Gloves it is restricted.
- In Gloved Expert categories:
 - o From the grabs only the **clinch** (*hand on the nape*) and the grab of the kicking leg is allowed, and only during one technique (*such as knee-kick, leg-sweeping*).
 - o From takedowns only **leg-sweeping** is allowed.
 - o The groundfight and any other grappling techniques are not allowed.

Grappling restrictions by Age Groups: Grappling techniques are gradually being introduced. Most restrictions are in the Manó (Tiny) age group.

- **Choking, Locks, Kidney pressing, Folding and Jumping Techniques** (e.g. flying armbar) are not allowed regardless age groups, in elder age groups every one of them is allowed, the technical opportunities are expanding therefore with the age.
- **Manó (Tiny)** age group – none of the above techniques may be applied (Choking, Locks, Kidney squeeze, Folding and Jumping Techniques are not allowed).
- **Gyermek 1 (Child 1)** age group – armbar is allowed, after 3 seconds, the referee shall stop the match, even lacking the knocking down, in Gyermek 2 (Child 2) age group only knocking down will cause the end of the match.
- In Gyermek 1, 2 (Child 1, 2) age group **not allowed** Choking, Leg locks, Folding, Kidney squeeze, Jumping (flying) techniques.
- From **Ifjúsági 1 (Juvenile 1)** age group – **choking is allowed**. Triangle on the neck is choking, thus only allowed from this age group, but in Ifjúsági 1 (Juvenile 1) age group it is forbidden to pull the head in triangle.
- From **Ifjúsági 1 (Juvenile 1)** age group – **folding is allowed**. Under Juvenile 1 Folding is not allowed. This also means that in Manó (Tiny), Gyermek 1,2 (Child 1,2) age group in standing position, upper grip may be followed only pulling, no pushing the opponent.
- In Ifjúsági 1 (Juvenile 1) age group **not allowed** Leg locks, Kidney squeeze, Jumping (flying) techniques, Guillotine choke, pulling the head in triangle.
- **Ifjúsági 2 (Juvenile 2)** age group – leg locks is allowed from this age group. Global Grappling allows only straight leg stretch, no twisting. From this age group Guillotine choke and pulling the head in triangle are allowed.

Events Description (Excerpt from the Rule Book)

- In Ifjúsági 2 (Juvenile 2) **not allowed** Kidney squeeze, Jumping (flying) techniques.
- Only from Junior 1 age group allowed Kidney squeeze and Jumping (flying) techniques.

- Stretching the spine (*e.g. pushing the head to the chest, can-opener, stretching the spine back etc.*).
- Sudden pull of the choking or stretching (*time must be given to TAP*).
- Put the hand into the opponents face (*eye, nose, mouth*), covering the opponent's mouth or nose, tearing the ear.
- Bolting and pressuring the knee outside, any leg stretching where the knee is breaking or bolding (*heel hook, toe hold*), while straight leg stretching leg-crossing or sliding to the inside is strictly forbidden!
- Stretching the leg or hand with a twist, groveling. After a full revolution the further turn shall be counted as groveling.

Grappling Techniques **forbidden in the Adult Beginner** section (allowed in Adult Advanced): Guillotine choking, Leg locks, Jumping (Flying) Techniques.

Shortening: If no activity or effort to technique is shown, the lead referee may order a 10 second shortening. If no activity is shown during the 10 seconds shortening, the contestant(s) shall be warned and the match continues in a standing.

Scoring:

Scoring the Gloved Expert categories are different from the general rule, there are two scoring judges in the 10-9 scoring and the referee will declare on this basis the winner. The rest of this chapter does not apply to Gloves Expert categories.

Events Description (Excerpt from the Rule Book)

Points may be awarded for actions and reactions (*to the executing contestant*), or for penalty (*to the opponent*).

- **Action points** – 1 to 4 points may be awarded, as detailed below (A-D section).
- **Reaction Point** – 1 point can be given if we could escape **with active participant** from any control position or down holding which could be score for the opponent.
- **Penalty point** shall be awarded, if our opponent shall be punished.

A. Action point may be awarded for **takedowns**:

- Only those takedowns shall be awarded by action point, where there is an originator, active contestant, the takedown is intentional and successful. Contact, grip and upper position at the end of the takedown is necessary.
- Clear, arched throw: 3 or 4 points.
- Takedown with a recognizable throwing technique: 2 point.
- All other (even partial) takedown: 1 point.

B. Action point may be awarded for acquiring **control position** (*full control*):

- The referee shall award the point after appr. 3 seconds.
- Side control position: 2 point.
- Mount position: 3 points.
- Back mount or back control position: 4 points.
- Double mill is not scored, thus from a 2, 3, 4 points technique only one may be awarded with points, until the opponent obtains points or the match resumes in standing position.

C. Action points shall be awarded for maintaining the control position on the ground (**down holding**).

- The down holding is valid if the position holder competitor is above and the opponent is on its back and the chests are in contact.
- To start the down holding it is necessary that the holder's both legs are on the ground, and his/her legs and head are not in bound.
- The lead referee shall signal the holding the position and the display shall show the time of the down holding.
- For holding the position 1 point is awarded for every 10 or 5 seconds. **5 seconds** applied in Manó (Tiny), Gyermek (Child), Ifjúsági (Juvenile) age groups, **10 seconds** apply in Junior, Felnőtt (Adult) and Senior age groups.
- If four points has been reached (double mill is not scored), down holding is over, the match shall resume in middle standing position.

D. Action points are awarded for the **punches and kicks**:

- In Combat Grappling and Gloved Fighting events the scoring time-unit is 1 minute, the match is continuous.
- At the end of the time-unit scorer shows the points (0-4), considering the performances of each competitors.
- In the Advanced Section (A League) for the clear head-kick the referee gives 2 points immediately.

Events Description (Excerpt from the Rule Book)

Penalty points are given for the penalties of the opponent (see below), or when the opponent rejects to standing fight and goes to the ground. **2 points** if he/she do it without grip (*e.g. sitting down*), **1 point** if he/she do it with grip (*e.g. pulling the guard*).

In overtime the points are continuously given.

Penalty: Penalty may be given for passivity, fleeing, mocking or interrupted contest, indecent behavior, violation of the rules. Penalty shall be awarded gradually, the contestant must be informed of the grades of penalty.

Action-compulsion: The continuously fending, escaping competitor who is not willing to fight first get warned than gets penalty. (*this is one of the goals of Global Grappling*)
