Entry System

- It is possible only at the: www.globalgrappling.hu webpage, then click to the „Versenyszisztém” (Competition System) menu, then „Regisztráció és nevezés” (Registry and Entry).
- Registry is required to the entry, to the championship only registered competitors of the registered clubs can enter led by the club leader, who conducts the entry, correction and the cancellation for the clubs. **Other entries are not allowed!**
- One of our essential purpose is to provide opponent(s) from different clubs in the contestants category, therefore we are trying to avoid the same-club categories. Same-club category is a category, in which every contestants are members of the same club, (one-person categories are same-club categories of course).
- In favour of our purpose we operate a pre-entry system which contains: a pre-website entry, payment, recategorization and completion, automatical merging, controlled draw, cancellation!
- The entry fee must be sent to the bank account of the Association: 51700100-10029730.
- **On-the-spot or other ways of entry are not allowed!** Entries will be accepted only, if they are sent before deadline with the entry fee. Those who send their entry fees on wednesday or after that should also send the confirmation of their payment to the following e-mail adress: [info \[at\] globalgrappling.hu](mailto:info[at]globalgrappling.hu)

Entry conditions

- A filled entry is a consent of agreement on the conditions of entry.
- To enter, the competitor must have an “Allowed to Compete” medical certification not older than 1 year old.
- Competitors must have a **sport insurance policy** valid for the Championship.
- The former two conditions shall not be supervised, but the Coach of the team must certify these in his written statement.
- Everybody competes in their respective age group. Veterans may enter lower Veteran or Adult category. Any categories lower than Adult may enter in an age group that is one higher, than their respective age group.
- Sex: Boys must enter boys’ competition, girls may enter girls’ and boys’ competition.
- Weight conditions of entry: Any competitor may enter only that weigh category of which’s upper bound shall not exceed the reference weight of the competitor. (*page 8*).
- The competitor will compete in the category in which he was entered or in which he was placed due to automatic merging.
- The competitor cant compete in the given category, if the competitors reference weight exceeds the category’s maximum weight limit. (*Page 8*)
- **Combat Grappling, Gloved Fighting** events may be entered by only over Juvenile1 up to Veteran3 age groups competitors.
- The Open categories will be organized based on the UWW Adult category rules. **Open** categories may be entered by only over Junior up to Veteran3 age groups competitors.
- One competitor in the same event can enter maximum two entries in one event.
- One competitor can enter only in one Open category.
- We delete the categories in which only one competitor stays alone.

Deadlines

- September 28, 2019. Saturday Entry opens on the website
- October 9, 2019 Wednesday Deadline of entry and transfer
- October 10, 2019 Thursday Correction day
- October 11, 2019 Friday Notice of final standings

Corrections: completion, recategorization and cancellation

- The completion, recategorization and cancellation are to be conducted on our webpage on the Correction Day. Addition and recategorization can be made to the category that complies with the entry conditions, thus for which the competitor could have entered, but has not yet been nominated.
- The purpose of the completing entry is to increase number of competitors in each existing categories. New competitor can not entry and new category can not generate. The fee of the completion must be sent till Friday to the bank account of the Association: 51700100-10029730 (must sent to the [info \[at\] globalgrappling.hu](mailto:info@globalgrappling.hu) the proof of the payment)
- **Cancellation** and **recategorization** can only be operated in case of the same-club categories, the purpose is the avoid these categories.
- On Friday morning, the automatic recategorization system will try to find opponents for the remaining competitors who are in a same club category.

Automatic Merging

- The automatic merging is being organised within sexes and events, to avoid the same-club categories. Two categories are only merged if the following condition is matched for every competitor in these two categories:
- A competitor may only be merged with an opponent who could have registered to this category, or one weight group named above (but can not be of a higher age group), or one age group named above (but can not be in higher weight group).
- Automatic merging is conducted at Friday morning. It is an automatic method by the program, no one can change it.

Controlled draw

In all categories, the first round matches are drawn by a directed method:

- The program draws randomly. Those draw are abolished where same-club contestant are matching in the first round. When the abolished draws count reaches the limit number, the program will inevitably make the pairs for the next draw.
- It is being organised on Friday morning after merging. It is an automatic method by the program, no one can change it.

Events Description (Excerpt from the Rule Book)

Starting position (every event): The match starts from standing position.

Fact of Winning: The match may be won by surrender, judging by points, technical knockout, or if one contestant is unable to continue the match. For example if one contestant is unable to fight (falls asleep, goes unconscious, or in Combat Grappling or Gloved Fighting he is unable to continue after a hard hit/kick [combination], or the referee stops the match. The match may not end in a tie. Surrender may be shown by hand, leg or voice. The competitor must refrain from signs that can be interpreted as sign of surrender.

Overtime: If there was no surrender, technical knockout or disqualification and the points are tied (and the winner can't be determined by the UWW additional rules), overtime comes

Global Grappling (GG): Before overtime, the referee must name the beneficiary, who shall win, if the overtime ends in tie, too. Beneficiary shall be the contestant, who received higher points, or who is named by the lead referee. Overtime is the half of the first round.

UWW Grappling (UWW): If the points are tied, there can be still a winner at the end of the first round: the competitor, who scored more high scoring position or the competitor who has less penalty. In case of overtime, the referee decides the attacker and the defender via coin toss. If the attacker can't force the defender to tap, the defender wins. The duration of the overtime is 1 minute.

Starting and restarting positions: Standing position in GG and UWW. UWW has 6 more restarting position: open guard, closed guard, half guard, side control, mount and back mount as restarting positions. In UWW overtime: back mount or armbar position from the side.

Grappling restrictions by Age Groups in Global Grappling ruleset:

- Grappling techniques are gradually being introduced. **Choking, Locks, Kidney squeeze, Folding and Jumping Techniques** are not allowed regardless age groups, in elder age groups every one of them is allowed, the technical opportunities are expanding.
- **Tiny age group** – none of the above techniques may be applied.
- **Child1 age group** – armbar is allowed, after 3 seconds, the referee shall stop the match, even lacking the knocking down.
- **Child2 age group** only knocking down will cause the end of the match.
- In Child1,2 age group - not allowed Choking, Leg locks, Folding, Kidney squeeze, Jumping (flying) techniques.
- **From Juvenile1 age group** – choking and folding is allowed. Triangle on the neck is choking also, but in Juvenile1 age group it is forbidden to pull the head in triangle. Under Juvenile1 folding is not allowed, so in Tiny, Child1,2 age group in standing position, upper grip may be followed only pulling, no pushing the opponent.
- **In Juvenile1 age group** not allowed Leg locks, Kidney squeeze, Jumping (flying) techniques, Guillotine choke, pulling the head in triangle.
- **Juvenile2 age group** – leg locks is allowed from this age group. Global Grappling allows only straight leg stretch, no twisting. From this age group Guillotine choke and pulling the head in triangle are allowed.
- **Cadet age group:** Guillotine choke, Kidney squeezing and jumping techniques are allowed! The Global Grappling ruleset allows only the straight footlock (ankle and knee), no twisting is allowed. The UWW Grappling ruleset allows the **twisting ankle lock** (toehold) from Cadet age group.

Events Description (Excerpt from the Rule Book)

UWW Grappling restrictions by age group: Toe hold and Guillotine chokes aren't allowed in Juvenile 1,2 age groups.

Global Grappling ruleset shortening: If no activity or effort to technique is shown, the lead referee may order a 10 second shortening. If no activity is shown during the 10 seconds shortening, the contestant who stall shall be warned and the match continues from standing.

Forbidden techniques in every age group:

- Throwing the opponent to the ground after lifting her/him up (SLAMMING), throwing the opponent to her neck or head.
- Grabbing, pressing the throat, groin.
- Grabbing the skin, biting, stinging, scratching, pulling the opponent's hair.
- Stretching, twisting the fingers or toes, the wrist lock, opening the knee or elbow joint.
- Stretching the spine (pushing head to the chest, can-opener, stretching the spineback etc.).
- Sudden pull of the choking or stretching (time must be given to TAP).
- Put the hand into the opponent's face (eye, nose, mouth), covering the opponent's mouth or nose, tearing the ear.
- Bolting and pressuring the knee outside, leg stretchings, the knee is breaking or bolding.
- While leg stretching leg-crossing or sliding to the inside is strictly forbidden!
- Twisted leg locks, groveling. After a full revolution the further turn shall be counted as groveling.

UWW Grappling penalty: If there is no activity, the referee will give penalty to the stalling contestant and gives 1 point for the opponent. The fourth penalty results in disqualification!
